Newsletter Editor Report
Lisa Mecklenberg Jackson (Helena, MT)
January 4, 2003

I am changing the deadline for news for the MPLA newsletter. Instead of the 10th of each month, the deadline will now be the first of each month. So, the next deadline is January 1, 2003!

The December 2002 issue featured the first of the six free ½ page ads we are doing as a result of the vendor mix-up at conference. The December ad comes from GumDrop Books. Also featured in the December newsletter is the first President's Letter from our new President, Jean Hatfield, a review and photos of the MPLA Leadership Institute, photos of the Tri-Conference...and much more!

I'm always looking for news, pictures, and ideas for columns. If you've got any, let me know!
