Newsletter Editor Report
Judy Zelenski
January 11, 2012

The February issue of the MPLA Newsletter will be published shortly after the board meeting next week to feature special promotions that may come out of the meeting.

Reminder: I depend on state reps and board members to send state information and photos for the "Around the Region" section and would love to have submissions from every state for every issue!

Question for discussion: As long as I can remember the bi-monthly issues of the Newsletter have been identified for just the month published (February, April, June, August, October, December). Would there be any advantage to have them identified for two months? (Feb-Mar; April-May; June-July; Aug-Sept; Oct-Nov; Dec-Jan). This would not change the volume and issue numbers.

Next deadline for the April issue is March 1.

Thank you for all your submissions and photos!

Judy
