MPLA Activities

- Compiled one issue of the MPLA Newsletter, August/September 2015.
 - The upcoming October/November issue is nearly complete, except for photos and highlights from the conference. Thanks to everyone who has shared news and events, and thanks to Wendy Wendt for her proofreading help!
- Read the notes from the August 27 Membership Committee meeting.
 - Prepared an updated (draft) version of the MPLA membership brochure, last updated in 2007.

For future issues

- The submission deadline for the December/January issue is November 1.
 - Wayne Hanway, longtime MPLA member from Oklahoma, is retiring this year. Dan Chaney helped me find some good background info on Wayne through the Oklahoma Library Association, but it would be great to include quotes and stories from people who know Wayne or have worked closely with him.

Respectfully submitted
