Newsletter Editor Report

July 17, 2009

The August issue of the Newsletter is online at <http://www.mpla.us/documents/newsletter/august2009.pdf> and has gone to the printer. Note the full page advertisement from PLA for its conference. We also have EBSCO and Dona Ana Community College as continuing advertisers. This issue will be printed on glossy paper again, which is recyclable. Our new printer, Publication Printers, has been easy to work with and everything is going smoothly.

Thanks for all your submissions!

Judy
