The April-May issue of the MPLA Newsletter is online at
<http://www.mpla.us/documents/newsletter/april2013.pdf>.

As you all know, this is my first issue of the MPLA Newsletter. I appreciate any and all feedback, especially constructive feedback. Thank you for your patience this month as I plodded along putting the newsletter together. I'm happy with it and am confident it will get better with each issue.

A very special THANK YOU to Judy Zelinski and Dan Chaney who were with me from the beginning of the process of putting together a newsletter. I couldn't ask for better guides.

It is never too early to submit copy for the next newsletter so starting sending information my way. Deadline for copy for the June-July issue is May 1st. Don't forget to include photos!!
