#### 2010 MPLA/OLA Conference

I have set up the 2010 MPLA/OLA Conference Handout Archive at <http://www.mpla.us/documents/handouts/2010/index.html>. Further, everyone should have received an email from me asking that you contact your speakers and offer this option to them. I should note that I have communicated with the OLA Webmaster. OLA is also archiving handouts, and we'll be sort of sharing things between us. I'm not sure OLA is planning to archive the handouts indefinitely, which is why both organizations are keeping them for now. I will not be at the conference Monday or Tuesday. My plan is to be in my office both days. Call me (405.744.9772) if something comes up with the MPLA website. My plan is to continue to add presentation files to the archive those two days.

As I am not planning to be at the conference Monday and Tuesday, I am asking anyone who takes photos of events, presentations, speakers, sessions, etc. – pass them along to me via email. I'd like to continue to post photos from conference on the MPLA website.

#### 2010 MPLA Elections

My thanks to Roy for setting up the online elections this year. Last year, I had far more input in the process as it was new to us. This time, Roy did nearly all of the heavy lifting. Needless to say, I think this year's election behind the scenes was far easier on us.

Respectfully submitted,
