

ST-4: Montana

March 2016

**Accepted** a Social Media Policy.

**Membership numbers** are low for the upcoming conference. They are wondering if it is because the PLD conference is scheduled at the same time as MLA upcoming conference.

**Evaluations** - I shared MPLA evaluations for paid staff, and they are using them to begin the process in their organization.

**SLD** - School library division membership rate is now \$40.00. Passed at last board meeting.

**There is still time:** Plan on attending the Montana Library Association Conference, *Find your Inner Superhero: Protect! Empower! Inspire!*, which will be held April 6-9, 2016, in Missoula. Information about the conference can be found here: <http://mtlib.org/2016conference/> Remember that MPLA members may attend the conference at the Montana membership rate. So, join the fun with your Montana librarian friends in Missoula.

The keynote speaker is from *FutureSync*, and the keynote is on *Meaningful Influence*. The annual Sheila Cates fundraising event this year is *Name that Tune!* Fun times is always had from all librarians, and it is great event to raise money for the scholarship fund.

**MLA Newsletter:** They are seeking out new platforms for our newsletter, so check out our latest addition: <https://www.smores.com/55h4v-focus>
