NLA activities

Planning a charter bus for PLA in April. Will pick up riders in along Interstate 80 and transport them to Denver. Potentially space for other librarians from SD, KS, IA who don't want to make the trip by flight or solo car drive.

Helped pass a balanced NLA budget. Some concessions made included putting MPLA rep funds and MPLA Leadership institute funds under the contingency budget based on how much money NLA conference makes. I plan to ensure NLA has funds available for librarians interested in Leadership Institute.
