North Dakota News

- Our state conference will be held in Fargo's Best Western Doublewood Inn & Conference Center, September 19-22.
- A new Superintendent of Public Instruction will be elected this November. The Department of Public Instruction is the parent agency of the North Dakota State Library. Current Superintendent Dr. Wayne Sanstead has held this position since 1985, making this a novel transition for public and school libraries.

Respectfully submitted,

Eric Stroshane
