

ST-8

North Dakota State Representative

October, 2011

MPLA Activities

- Submitted an article for MPLA's October newsletter detailing North Dakota library and library association news
- Submitted an article for NDLA's December newsletter as part of the membership drive
- Set up and staffed the MPLA booth at the NDLA conference (and won the Friendly Booth Award)
- MPLA materials were distributed at the registration desk and at the MPLA booth during the conference
- Awarded ten free MPLA memberships through an impartial drawing, and submitted the winning (and non-winning) entries to Judy Zelenski
- Advocated for membership and attendance of the leadership institute at two general sessions during the NDLA conference

North Dakota News

- The big news is that our state conference in Minot was amazing and well attended (over 160 registrants, which is a good turnout in these parts)
- The conference was a busy one for me, as I presented or partnered in three sessions, in addition to working the MPLA booth and serving on the executive board
- Two more libraries (Bowman Regional and Park River) are joining North Dakota's OverDrive consortium

Respectfully submitted,

Eric Stroshane
