MPLA Activities

- Reviewed reports submitted by the MPLA Committees and by the state representatives;
- Preparing Wyoming news to send to the editor for the upcoming MPLA newsletter;
- Working on renewals for Wyoming for MPLA;
- Obtained vendor information from colleagues at SDLA, NDLA & AzLA - Thanks to those who shared this information. It was very helpful;
- Using the vendor information to solicit grants from the vendors for the 2015 WLA/MPLA Conference;
- Sending our WLA/MPLA marketing swag to all Wyoming County Libraries to create excitement for the upcoming conference;
- Shared the logo information with WLA and MPLA colleagues;

- Got the Call for Programs up and available after running into a few bugs & corrections – we got the form worked out. We are collecting program submissions. So far we have captured about 10 program submissions.

- A group of us from WLA are estimating conference costs. That information is forthcoming;
- WLA will provide transportation to and from the conference hotel to the opening reception venue. We have hired 2 trolleys that operate in Cheyenne.

- One of my next goals is to enhance the information on the WLA site regarding the speakers we have under contract. Watch for this on the WLA site.

Respectfully submitted,
